The members of Daytona Beach, Florida's Halifax River Yacht Club sought out Theme Party People's participation and theming for their 2016 Summer soiree, "Bonding on the River". Turning the Club's main dining room into a 007 world of casino tables, Vesper Martini bar and festooned with posters and electronic wallpaper was just the beginning. Richard and Leslie arrived via the "Disco Volante" yacht and hosted a challenging Bond trivia game and shared Bond travel stories and suggested itineraries with the guests. As a special treat, club member Jean Sankowski performed spot on Shirley Bassey vocals on the theme's Goldfinger and Diamonds Are Forever.
