

The centerpiece locations of "Operation EURO2010" are in Switzerland, and for our location stops, not easily accessed by most tourists on an European vacation. First stop, is Locarno, site of the Verzasca Dam, or better known as the "Goldeneye" bungee jump stunt opening. We will spend several hours at this location while brave agents undergo "agent training" (not affiliated with Theme Party People or Globus, of course, with a nod to our battery of attorneys).
